Dear Mr. Colby:

It is with great pleasure that I forward the Annual Report of The National War College for the academic year 1973-1974. I hope that it may be of interest to you.

My two years as Commandant of The National War College have reinforced my view of the increasing need for advanced professional education and of the integral role of the College in that educational process.

The College owes much of its achievement, particularly in its attempts to improve the quality of its faculty and student body, to the splendid support you and the Central Intelligence Agency have provided. We are most grateful for that support.

Sincerely,

M. G. BAYNE
